## Product Overview

Etoile de l'Ange has studied the imbalanced body of a woman suffering from the stress of busy modern society. Especially, the Y zone became the most sensitive part of body places women must take care of. Etoile de l'Ange is launching the inner perfume brand with products containing non-toxic ingredients and unique scents. It will take care of uncomfortable itchiness, smell, and dryness caused by menstrual discharge after a women's period. Etoile de l'Ange will provide a unique message and identity in its brand with specialized feminine inner perfume products to be distinct by customers from too many beauty products in the saturated market.
